Secretary Treasury Department
Honorable and Dear Sir

Your
Kind favor of the 26th of October through
Mr. Brenan is at hand, it being answer
to my asking information from your Honor
about a collector of old coins. By your
Secretary, Mr. Brennan. I am informed
to send in a list of the coins in question
and the prices I would ask for separate
~~prices or for the whole collection. To this I~~
have to answer, that not having the means
of ascertaining the value of the coins. I
cannot name any prices. Some time ago
I tried to have my collection examined
in St Louis. Mr. could give the date of only
four of the coins the gentleman whom

necessary books at hand, from which he could determine the age of the pest; but he at the same time said I had the oldest coins that could be found in the country This gentlemen was an officer of the St Louis Merchants Library but his name I do not know.

Now, to save as much annoyance to Your Honor as possible, I will forward the whole collection by Registration to Your Honor, that you may have it examined by an expert to be able to judge of the age of each coin and then to name a fair price of the whole or of any piece in particular. that the collection contains valuable and rare specimens of coin I know from that gentlemen in St Louis as also from the fact that I was offered a sum of money for the collection some time ago when I was not willing to part with it.

This seems to me the easist way to come to an agreement in this matter. Relying entirely on your Honors Kindness and thanking You for the readiness to assist a poor man I remain Very Respectfully Your
